

The Region of Peel provides municipal waste management services in the Cities of Brampton and Mississauga and the Town of Caledon.

If you need more information on any of the Region's waste management programs or services, feel free to call **905-791-9499**.

Caledon residents in long-distance areas can call **905-584-2216** free of charge.

Please keep this booklet handy for future reference.

Working for you

**Waste Collection
Day Changes**

Effective Monday, June 5, 2006
see map on page 20

TABLE OF CONTENTS

1-7	Curbside Collection Services
8-9	Garbage Tag and Recycling Box Pick-up Locations
10-11	Recycling Guide
12-13	Apartment Collection Services
14-19	Community Recycling Centres
20-22	Collection Areas and Schedules

Changing the way we manage our waste

The Region of Peel continues to introduce new programs and services to assist us in meeting our goal of diverting 70 per cent of waste from landfill disposal by 2016.

New Programs and Services

- **Waste Collection Day Changes** – Starting June 5, 2006, most Brampton and Mississauga residents will have new waste collection days. Refer to page 20 to find out your collection day.
- **Biweekly Yard Waste Collection** – In Brampton and Mississauga, yard waste will now be collected weekly in the spring and fall and every other week in July, August and September. Refer to page 21 to check your yard waste collection weeks.
- **Single Stream Recycling** – Residents can now mix their paper and container materials in their recycling boxes.
- **White Goods Collection Fee** – Starting June 5, 2006, a fee will apply for curbside collection of large appliances. Refer to page 4 for details.

Committed to Waste Reduction

Thanks to your efforts, we are now diverting more than 45 per cent of Peel's waste from disposal. With your continued support and participation, we anticipate moving closer to our waste diversion target.

Chair, Public Works Committee

CURBSIDE COLLECTION SERVICES

Setting out your waste

- Place your garbage, recyclables, yard waste and organics at the curb no later than 7 a.m. on your scheduled collection day, **but no earlier than 7 p.m. the night before**
- Place your recyclable material, yard waste and organics on one side of the driveway and garbage on the opposite side, if possible
- Keep your waste separate from your neighbour's

Empty containers or waste not collected must be removed from the curb by 8 p.m. on your collection day.

Three Bag Standard Program

- Peel households may place up to three garbage bags, containers or small bundles of wood at the curb each week for collection
- Each additional bag, container or small bundle of wood requires a garbage tag attached to it for collection (see pages 8 and 9 for locations to buy garbage tags)
- Bags or containers over the three bag standard, without tags, will not be collected

The three bag standard does not apply to recyclable materials, yard waste, large appliances, furniture and other large items. A fee applies to curbside collection of large metal appliances and fixtures. See page 4.

Do Your Garbage Bags, Containers and Bundles of Wood Measure Up?

Maximum Dimensions:

- **Important** - Individual bags, containers and bundles of wood must not weigh more than 20 kg (44 lbs.)
- Containers must not exceed 125 L (30 Imp. gal.) in volume

How to Tag Your Bags and Containers

- Attach the tag to the neck of your garbage bag
- Place the tag around the handle of your container

Need Garbage Tags?

- Refer to pages 8 and 9 in this guide for a list of locations where you can purchase garbage tags

Yard Waste and Organics Collection

Brampton and Mississauga

- Yard waste is collected weekly during April, May, June, October and November
- **During July, August and September, yard waste is collected every other week** (see calendar on page 21)
- Yard waste collection ends the week of November 27, 2006 and begins the week of April 2, 2007
- Place your yard waste in open, rigid, reusable containers, bushel baskets or paper yard waste bags for collection
- **Do not use plastic bags or recycling boxes for yard waste**

Rural Areas of Caledon

Practice grasscycling and backyard composting to reduce the amount of yard waste you put out for collection.

- If you do not receive organics collection, you can place yard waste out for weekly garbage pick up
- Separate yard waste into clear plastic bags, bushel baskets or open top garbage containers and it will not be counted toward your three bag limit for garbage collection

North Brampton and Settlement Areas of Caledon

(organics collection areas)

- Place food and yard waste in your organics cart and set the cart at the curb with the handle facing the house and the lid opening towards the street
- Refer to the calendar for your collection day schedule (page 22)

In organics collection areas, place bundled and tied brush beside your organics cart.

General Yard Waste Guidelines

- Securely tie your brush in bundles less than 1.2 m (4 ft.) in length and 76 cm (30 in.) in width, **weighing no more than 20 kg (44 lbs.)**
- Brush and tree trimmings must be less than 10 cm (4 in.) in diameter
- Halloween pumpkins, corn stalks and fruits and vegetables remaining from your garden are acceptable yard waste material

Stumps, soil and sod are not acceptable yard waste items. Take them to any of Peel's Community Recycling Centres for disposal. Drop-off fees apply. See pages 14 – 19.

Specialty Collection Services

Christmas Trees

Brampton and Mississauga

(including organics collection areas in North Brampton)

- Place your Christmas tree at the curb on your scheduled collection day during the week of January 8, 2007

Settlement Areas of Caledon

- Place your Christmas tree at the curb beside your organics cart on any scheduled organics collection day in the month of January

Remove all tinsel, ornaments, plastic bags and tree stands. Christmas trees buried in snow banks may not get picked up.

Furniture and Large Items

Place furniture and large items at the curb by 7 a.m. on your scheduled collection day for pick up (no appointment required).

Items accepted for curbside pick up include:

- furniture, e.g. sofas, tables, chairs, mattresses
- carpets (tied in bundles no larger than 1.2 m (4 ft.) in length and 76 cm (2.5 ft.) in width)
- barbecues (propane tanks must be removed and taken to a Community Recycling Centre)
- small appliances
- televisions
- microwave ovens

The Region collects furniture and other large items every week – no need to wait for Exemption Periods.

Large Metal Appliances and Large Metal Fixtures

These items are collected from the curb by appointment only. **Effective June 5, 2006, residents are required to pay \$15 for the first item and \$10 for each additional item collected on the same day.** Call the Region to schedule an appointment for pick up. Payment can be made by credit card over the phone or by debit card, cash or cheque at Access Peel located at 10 Peel Centre Dr. in Brampton.

Items accepted for curbside pick up include:

- refrigerators
- washers and dryers
- stoves
- freezers
- dishwashers
- air conditioners
- furnaces
- pool heaters
- fireplaces
- heat pumps/exchangers
- metal bath tubs
- metal shower enclosures
- dehumidifiers
- empty hot water tanks
- empty oil heating tanks (cut in half)
- large home safes

Large metal appliances and fixtures can be dropped off, free of charge, at Peel's Community Recycling Centres. See page 19 for locations.

For safety reasons, please remove all appliance doors and place them beside the appliance for collection. To arrange for pick up, call **905-791-9499** or from long-distance areas in Caledon call **905-584-2216** free of charge.

Items not collected at the curb

Construction and Renovation Materials

- Items such as shingles, drywall, tiles, bricks and large amounts of wood waste will not be collected at the curb
- Peel's Community Recycling Centres may offer disposal options (see pages 14 – 19)

Household Hazardous Waste (HHW)

- HHW cannot be placed at the curb for waste collection or poured down the drain
- Take your HHW to one of Peel's Community Recycling Centres for safe disposal free of charge (see pages 16 – 19)

Holiday and Exemption Period Schedule

Advertisements in community newspapers and mobile signs placed throughout the Region will notify you of collection day changes and exemption periods.

Holiday Schedule

If your collection day falls on or after the statutory holidays listed below, your waste will be collected one day later.

- Monday, May 22, 2006 Victoria Day
- Monday, July 3, 2006 Canada Day
- Monday, August 7, 2006 Civic Holiday
- Monday, September 4, 2006 Labour Day
- Monday, October 9, 2006 Thanksgiving
- ♦Monday/Tuesday, December 25-26, 2006 Christmas/Boxing Day
- Monday, January 1, 2007 New Year's Day
- Friday, April 6, 2007 Good Friday
- There will be no change to the collection schedules for residents in Caledon due to these holidays. Please refer to your collection calendar on page 22.
- ♦For the Christmas and Boxing Day holidays, your waste will be collected two days later.

Exemption Schedule

You may place unlimited quantities of acceptable waste at the curb on your scheduled collection day during the following two-week periods:

Two weeks after Victoria Day
May 23 – June 2, 2006

Two weeks after Labour Day
September 5 – September 15, 2006

Two weeks after Christmas
December 27, 2006 – January 5, 2007

No Tags Required!

Single Stream Recycling

Now you can mix your paper and container items in one recycling box.

Packaging Your Recyclables

Reduce litter in your neighbourhood by taking these simple steps to prevent your recyclables from taking flight at the curb on windy days.

Recycling Tips

- On windy days, consider putting your recycling boxes out for collection in the morning, rather than the night before your collection day
- Don't overload your recycling boxes
- Pick up additional boxes if you need the room (see pages 8 and 9 for pick-up locations)
- Stack your recycling boxes to prevent papers from blowing away

- Place flattened large cardboard securely underneath or between your recycling boxes
- Crush large plastic bottles and beverage cartons to save space
- Stack cans and plastic food tubs inside each other
- Fold all aluminum trays and foil
- Place heavier items on top of lighter items
- Place all plastic bags in one tied plastic bag
- Flatten small cardboard boxes and place securely in your box
- Fill boxboard boxes with other flattened boxboard material
- Don't recycle shredded paper. Place it in your garbage or your organics cart in organics collection areas

Note – Shredded paper cannot be processed at municipal recycling facilities. When the Region-wide organics program is launched in spring 2007, you will be able to place it in your organics bin for composting.

For a complete listing of items you can recycle refer to the recycling guide on pages 10 and 11.

Recycling Bags – another option

Once in a while you may have more recyclable items than your recycling boxes can handle.

Now, you can place additional items in a clear or transparent blue plastic bag placed on top of, or beside, your recycling boxes.

Reminder – The bag you use may not be larger than 66 cm (26 in.) wide and 90 cm (36 in.) long and **cannot exceed a weight of 20 kg (44 lbs.)**

GARBAGE TAG AND RECYCLING BOX PICK-UP LOCATIONS

Garbage tags

Garbage tags are available at a cost of \$5 per sheet of five tags. Visit any of the locations listed below to pick up your garbage tags in person.

To purchase garbage tags using Visa or MasterCard for payment, visit our Web site at peelregion.ca/waste or call 905-791-9499. In long-distance areas of Caledon, call 905-584-2216 free of charge. Your garbage tags will be mailed to you.

Recycling boxes

Additional recycling boxes can be purchased for \$6 each at all locations listed below that are marked with a recycling box symbol ().

RECYCLING GUIDE

Recycling is Mandatory in The Region of Peel!

Place all of these items securely in your curbside recycling box or apartment recycling cart

Flattened Cardboard Boxes
Dimensions not to exceed
90 cm x 90 cm (36 in. x 36 in.)

Glass Bottles and Jars
(Remove caps and place
in garbage)

**Metal Food and
Beverage Containers**
(Do not flatten cans)

**Polystyrene Foam
Packaging**

**Beverage Cartons
and Boxes**

Plastic Tubs and Lids
(Remove lids and place
in recycling box)

**Plastic Bottles,
Jugs and Jars**
(Remove caps and
place in garbage)

Plastic Bags
(Place all plastic bags
in one **tyed** plastic bag)

Printed Paper
(No shredded
paper – place
in garbage)

Boxboard Cartons
(Remove liners,
empty and flatten)

**Empty Aerosol
and Metal Paint Cans**
(Remove paint can lids and
place in recycling box. Remove
aerosol caps and place in garbage)

Rinse all containers and flatten large plastic containers.

No need to separate
your recyclable items.
We'll sort it out.

Caledon/North Brampton/
Organics Pilot Areas
Place organics in your cart/container

Kitchen Waste
All food waste including
bread, meat, dairy, fruits,
vegetables, eggs, sauces,
pasta, bones, coffee

linen and towels

Coat hangers, wire, pots, pans or
kitchen utensils

Bring reusable goods and household
hazardous waste to your local
Community Recycling Centre.
Throw other items in the garbage.

For more information call **905-791-9499**, or visit our **Web site** at peelregion.ca/waste
In long-distance areas of Caledon, call **905-584-2216** free of charge.

APARTMENT COLLECTION SERVICES

Approximately 82,000 multi-residential units, such as apartments, condominiums and town homes make up 30 per cent of the Region’s households and are an integral component of Peel’s recycling program. We count on your participation and support to further reduce the waste we generate in Peel.

No matter where you live in the Region of Peel, recycling services are available to you. If you are unsure of your recycling collection set-out area, contact your property manager or superintendent for details.

You may refer to this guide for a list of all items that can be recycled in your building’s program (pages 10 and 11), as well as learn about additional disposal, recycling and reuse options available through Peel’s Community Recycling Centres (pages 14 – 19).

Participating in our recycling program is now easier. You can mix all your recyclable material in one recycling cart, saving you time and effort!

How the Program Works

Multi-residential buildings are supplied with recycling carts. Each multi-residential unit is provided with a reusable Blue Bag to help store and transport recyclable material to your recycling collection set-out area.

Blue Bags are available at no charge. If you do not have one, please contact your property manager or superintendent.

Specialty Collection Services

The Region of Peel provides specialty collection services including:

- Christmas tree collection
- Furniture and large item collection
- Large metal appliance and fixture collection (fees apply - see page 4)

Contact your property manager or superintendent for more information on where to place these items for collection.

Items Not Collected

Household Hazardous Waste (HHW)

- HHW must be disposed of at one of the Region’s four Community Recycling Centres. For a list of HHW substances see pages 16 and 17.

JUST MOVED IN? HAVE LOTS OF CARDBOARD BOXES?
Drop off large quantities of flattened cardboard at Peel’s Community Recycling Centres. See page 19 for locations.

COMMUNITY RECYCLING CENTRES

The Region of Peel’s Community Recycling Centres offer residents and small businesses a convenient opportunity to drop off:

- recyclable material
- non-recyclable material
- reusable goods
- household hazardous waste (residents only)

The recycling and disposal services offered are designed to supplement curbside and apartment collection programs. Peel’s Community Recycling Centres are for use by Peel residents and small businesses only and proper identification is required. For information regarding proper identification, call 905-791-9499 or visit peelregion.ca/waste.

Items Accepted

Recyclable Items

- recycling box items – paper and containers
- yard waste
- scrap wood (maximum 1.2 m (4 ft.) in length)
- scrap metal (maximum 2.4 m (8 ft.) in length)
- tires (maximum of six passenger car or light truck tires)
- drywall
- large metal appliances and fixtures
- plastic farm bale wrap**

***only at the Caledon Public Waste and Recycling Depot*

Waste Items

- garbage
- rubble (brick, concrete, asphalt, ceramic tile, porcelain)
- clean fill (soil, topsoil, clay, sand)
- shingles
- construction and demolition material

Electronic Goods

- | | | |
|----------------|---------------------|------------------|
| ■ computers | ■ printers/scanners | ■ VCRs |
| ■ fax machines | ■ phones | ■ cash registers |
| ■ monitors | ■ modems | |

Please remove all batteries and toner cartridges before dropping off electronics. Batteries can be disposed at the Household Hazardous Waste (HHW) drop-off. Toner cartridges can be recycled at Community Recycling Centres.

Items Not Accepted

- heavy equipment tires
- heavy truck and tractor trailer tires
- tires from businesses
- household hazardous waste from businesses

Household Hazardous Waste

Peel's Community Recycling Centres accept residential household hazardous waste only. No institutional, commercial or industrial hazardous waste is permitted.

Hazardous waste includes items that are marked with these symbols:

**FLAMMABLE**

**TOXIC**

**CORROSIVE**

**EXPLOSIVE**

Hazardous waste **MUST NOT** be included in your curbside garbage, recycling collection or poured down the drain.

Items Accepted:

- propane cylinders, maximum 18 kg (40 lbs.)
- fluorescent light bulbs/tubes and ballasts
- batteries (all types) including lead acid

- syringes/needles/lancets (see Sharps Disposal section below)
- mercury thermometers/thermostats

There is an 80 L (20 gal.) limit per day on the following items:

- | | |
|--------------------------------|--|
| ■ antifreeze | ■ motor oil and filters |
| ■ brake and transmission fluid | ■ aerosol cans (full or partially full) |
| ■ cleaners and detergents | ■ fuels (gas, kerosene, etc.) |
| ■ pool chemicals | ■ paints/stains and solvents |
| ■ fire extinguishers | ■ photographic chemicals |
| ■ chlorine | ■ fertilizers and pesticides |
| ■ acids or bases | ■ medication and pharmaceutical products |
| ■ adhesives (all types) | |
| ■ cooking oil | |

Items Not Accepted:

- smoke detectors
- radioactive waste
- biomedical waste, e.g. items soiled with bodily fluids
- PCB contaminated waste
- flares, fireworks and ammunition

Call your local police department for proper disposal of flares, fireworks and ammunition.
Do not bring them to Community Recycling Centres.

Sharps Disposal

- Peel's Community Recycling Centres only accept needles, syringes and lancets in biohazard containers specifically designed to contain sharps
- Pick up and/or drop off biohazard containers at any Community Recycling Centre, free of charge

Reusable Goods Stores and Drop-off Areas

The Region operates reusable goods drop-off areas, exchanges and/or retail stores at its Community Recycling Centres. Your donation supports social programs such as Meals on Wheels, transportation of the elderly and crisis hotlines in Caledon. Elsewhere in Peel, the program supports employment training through a partnership with Goodwill.

It is easy to donate reusable goods to Goodwill and Caledon Community Services. You can drop off items at the Battleford, Bolton or Brampton Community Recycling Centres. All items that are in good condition are accepted free of charge and resold at moderate prices in the reusable goods stores located at the Bolton and Brampton Community Recycling Centres.

Reusable goods can also be dropped off free of charge at the reuse area located at the Caledon Public Waste and Recycling Depot. At this location residents are welcome to pick up these items free of charge.

Acceptable Reusable Items

- home furnishings
- clothing
- housewares
- books
- toys
- working appliances
- building materials
- doors and windows
- plumbing fixtures
- dimensional lumber
- tools and shop equipment

Your donation of reusable goods contributes to building a stronger community by assisting community members in need, diverting waste from disposal and reducing recycling costs.

Drop-off Fees

The following items are accepted FREE OF CHARGE:

- Household hazardous waste
- Reusable goods
- Dedicated loads of large metal appliances and fixtures – refer to page 4 (residential customers only)
- Dedicated loads of recycling box materials
- Clean fill, rubble and farm bale wrap (Caledon Public Waste and Recycling Depot only)

The following fees apply to all other loads:

Weight of load*	Drop-off fee
Up to and including 25 kg (55 lbs.)	\$2 flat rate
Greater than 25 kg (55 lbs.)	.8¢ per kg

* Up to a maximum load weight of 750 kg (1653 lbs.)

Methods of payment: Cash, Debit, Visa or MasterCard

Community Recycling Centres

Battleford Community Recycling Centre *

2255 Battleford Rd., Mississauga
